UNITED STATES CIVIL SERVICE COMMISSION
Washington, D. C. 20415

October 15, 1971

Honorable Thaddeus J. Dulski
Chairman, Committee on
Post Office and Civil Service
U. S. House of Representatives
Washington, D. C. 20515

Dear Mr. Chairman:

In accordance with Section 304(c) of Public Law 91-216, the following summarizes the activities of the Job Evaluation and Pay Review Task Force for the period ending October 15, 1971.

The entire period was devoted to revising the evaluation systems, based on comments and suggestions received from Federal personnel directors and other interested organizations. Therefore, when the Task Force submits the models of these systems to the Commission, contained therein will be reflected the hundreds of comments and suggestions received from the operating agencies and employee representative associations/organizations.

Work has proceeded on models of pay structures which relate to the evaluation systems. These will be completed and incorporated within the evaluation systems.

For the remainder of the period, until the Final Report has been completed, the Task Force will be devoting all of its energy to the preparation of this document.

This monthly report, in accordance with an understanding with the House Subcommittee on Employee Benefits, is the last to be submitted. The Final Report from the Commission, as required under Public Law 91-216, will represent the final work of the Task Force in compliance with the referenced law.

Sincerely yours,

/s/

Robert E. Hampton
